Petition to Withdraw Holding of Abandonment

37 CFR §1.181

Assistant Commissioner for Patents
Box: DAC
Washington, D.C. 20231

Dear Sir:

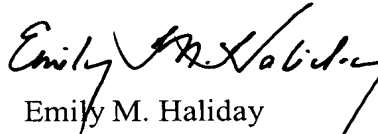

Applicant hereby requests that the Notice of Abandonment mailed on August 23, 2007 be withdrawn in view of the timely filed Amendment mailed on August 8, 2007. The following is a list of events that occurred prior to the issuance of the Notice of Abandonment.

Applicant acknowledges that a Office Action was issued by the Patent Office on February 8, 2007. In response to the outstanding Office Action, Applicant's attorney of record mailed an Amendment Transmittal, Amendment, Exhibit A, and a check in the amount of \$510.00, that was required in this application on August 8, 2007; a copy of the check is attached (Attachment A). Also attached is a copy of the returned, stamped postcard (Attachment B) showing receipt by the Patent Office. According to standard procedure, the attorney of record's assistant filed the response to the Office Action by signing a certificate of mailing under 37 CFR §1.8 to the Amendment Transmittal (Attachment C).

As the above events demonstrate, Applicant's attorney made a good faith effort to submit a response within the time limit allotted (i.e., by the due date of August 8, 2007). Applicants earnestly request that the Notice of Abandonment in this application be withdrawn and the application be reinstated and passed to issuance in due course.

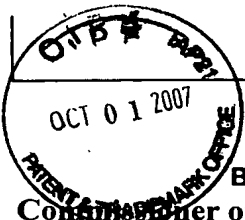

The undersigned, Emily M. Haliday, understands that willful false statements and the like so made are punishable by fine or imprisonment or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application resulting therefrom.

Respectfully submitted,
